

Syringes plastic

Syringes, plastic, disposable, Plastipak®

02

S

- For research only, unless otherwise indicated

Polypropylene, sterile, disposable syringes.

Each syringe is tested for sterility, pyrogenicity and toxicity. Both syringes and separate accessory needles are individually wrapped in peel-apart blister packs. Supplied without needles, see SZR-175 range on page 1,355.

The plunger on SZR-150-011Q is made from polystyrene.
